Tulku Sang-ngag Rinpoche, an outstanding meditation master and scholar, is a lineage holder of the most profound and widely practiced lineages of Tibetan Buddhism. Rinpoche is the founder and spiritual director of Ewam centers in North America and Asia. His primary residence is in Santa Fe, New Mexico.

Arya Tara, appearing in the feminine form of a bodhisattva, is the embodiment of the knowledge, love and energy of all enlightened ones.

Receiving the blessings of this Tara empowerment enables us to open our hearts to her wisdom and compassion which allows the seed of awakening within us to be nourished.

Tara's special quality is her ability to swiftly free us from fear, anxiety and suffering in order to benefit others.
